

ista EDUCATIONAL FOUNDATION

FUNDRAISING EVENT

WHAT: ISTA Educational Foundation (ISTAEF) Fundraising Dinner

WHEN: Monday, March 24, 6:30 p.m. to 8:30 p.m.

WHERE: NBC Sports Grill and Brew at the Universal CityWalk in Orlando, Florida

The ISTAEF is a tax-exempt 501(C)3 charitable organization dedicated to the support and service of the packaging community by raising and distributing funds to foster educational growth in the transport packaging space. **We are seeking sponsors for the event to support our cause by helping cover the costs associated with the dinner. Sponsorship of the event is \$2,800.**

Beyond supporting the ISTAEF's overall mission, sponsoring the fundraising dinner offers several benefits:

✔ **Elevated Brand Exposure**

Visibility through logo placement across all event marketing materials, including social media promotions, press releases, and on-site event signage.

✔ **Networking Opportunities**

Every sponsor receives 4 complimentary registrations for the dinner. Bring colleagues, guests, customers, or anyone of your choosing to engage with a diverse audience comprising students, educators, industry professionals, thought leaders, and community stakeholders—expanding your network and forging invaluable connections.

✔ **Undergraduate Research Grants**

Helping ISTAEF cover the costs of the dinner will allow the Foundation to focus more funds on our commitment to undergraduate research grants, offering innovative opportunities for budding researchers to explore and pioneer in our field.
