

 **ista FORUM EUROPE****TransPack + TempPack**

BARCELONA, SPAIN, 7-8 OCTOBER 2025

Sponsor Exhibition Opportunities

ISTA Forum Europe is the premier event for Europe's transport packaging industry, bringing together industry experts, innovators, and thought leaders who are pushing the boundaries of what's possible.

[**SIGN UP NOW**](#)

You're Invited to Become A Sponsor & Showcase Your Brand

It's an honor to invite you to become a valued sponsor of ISTA Forum Europe, happening 7–8 October at the Meliá Barcelona Sky Hotel in Barcelona, Spain.

This premier event brings together a global community of industry leaders, innovators, and decision-makers who are shaping the future of transport packaging. It's a space for sharing ideas, having meaningful conversations, and building real connections with others who share a commitment to advancing the industry.

ISTA Forum Europe features our two flagship events, **TransPack** and **TempPack**:

- **TransPack** – Focused on research and practical solutions for optimizing packaging for transport.
- **TempPack** – Centered on technical insights and strategies for temperature-controlled performance packaging.

Sponsoring ISTA Forum Europe goes beyond showcasing your brand—it's a chance to be part of something impactful. As a sponsor, you'll:

- Connect with the global transport packaging community as industry leader
- Build relationships and network with key decision-makers
- Increase your brand's presence with sponsor exhibit space and focused marketing
- Support research and innovation that's shaping the industry's future

To learn more about the sponsor exhibition opportunities and to sign up, [click here](#). If you have any questions, I'd be happy to share more details.

I look forward to welcoming you as an ISTA Forum Europe sponsor!

Sincerely,

A handwritten signature in black ink that reads "Lisa Bonsignore".

Lisa Bonsignore

ISTA Vice President of Events

Become a Sponsor & Showcase Your Brand

Connect with global transport packaging leaders and key decision-makers to grow your network.

Boost your brand through targeted exposure while supporting innovation & industry-shaping research.

2024 PREMIER SPONSORS

ista FORUM EUROPE

The 2025 ISTA Forum Europe (previously the ISTA European Packaging Symposium), will be held on 7-8 October at the Meliá Barcelona Sky Hotel in Barcelona Spain! The ISTA Forum Europe features our flagship events, TransPack and TempPack. It's where our packaging community comes together to connect—sharing insights, building relationships, and shaping the future of transport packaging.

35+ Presentations, Breakout Discussions, Networking, and More Across Two Learning Tracks!

TransPack

TransPack covers hot topics such as sustainable packaging development, e-commerce packaging challenges, packaging performance testing, optimization, damage reduction success stories, research, best practices, and more.

- Packaging Performance Testing Applications and Research
- Protective Package Design Challenges
- Quality Assurance & Validation Best Practices
- Damage Reduction Success Stories
- Sustainable Packaging Development
- e-Commerce Packaging
- Packaging System Optimization Case Studies

TempPack

TempPack offers technical insights on global temperature-controlled performance packaging, innovative cold chain packaging solutions, temperature monitoring strategies, sustainability case studies, design qualification guidance, frozen shipping solutions, and more.

- Frozen Shipment Best Practices and Case Studies
- Real-Time Monitoring & Qualification
- Sustainability Case Studies: Re-Use vs. Single Use
- New Methods for Protecting High Value Product in the Supply Chain
- IoT for Gathering or Acting on Temperature Data Within a Supply Chain
- Innovative Cold Chain Packaging Solutions
