

 <b>Volunteer Role Description</b>	<h1>Technical Committee Member</h1> <i>Rev. 03-30-16</i>
<b>Title:</b>	Member, ISTA European Division Technical Committee
<b>Appointed by:</b>	Technical Committee Chair
<b>Expected Result:</b>	An active Committee focused on the development of technical offerings that benefit and support the European packaging community.

**Committee Objectives:**

1. Provide a forum for communication and discussion of ISTA Global Technical Division items and regional transport packaging issues.
2. Development of European specific tests where required and/or tailoring of existing ISTA tests for European market
3. Identify and execute projects and initiatives closely related to package testing and packaging performance with respect to packaged-product distribution within Europe.
4. Identify funding opportunities for projects proposed the Committee

**Specific Responsibilities:**

The Member performs such duties as:

1. Attending and participating in and contributing to the Committee meetings. Attending remotely is acceptable when the option is presented.

Action Steps
Understand the role of the Committee within the Association
Review agenda and supporting materials prior to Committee meetings
Report on the results of workgroup activity if chairing the workgroup within the Committee
Establish, review, and understand technical policies

2. Providing direction on the future of the Committee

Action Steps
Suggest possible nominees to the Committee who can make significant contributions to the work of the Committee and Division
Make decisions in response to all proposals presented to the Committee
Focus on issues where ISTA can play a positive role within Europe.

3. Serving on task groups and offering to take on special assignments
